

Without You

Intro Am FMaj7 CMaj GMaj

Chorus

Am FMaj7
You cut out a piece of me, and now I bleed internally
C G
Left here without you, without you
Am FMaj7
And it hurts for me to think about what life could possibly
be like
C G
Without you, without you

Verse

Am FMaj7
I can't believe that you would up and leave me
C
F*ck all of your reasons
G
I lost my sh*t, you know I didn't mean it
Am FMaj7
Now I see it, you run and repeat it
C G
And I can't take it back, so in the past is where we'll
leave it, uh

Pre-Chorus

Am
So there you go, oh
FMaj7
Can't make a wife out of a hoe, oh
C
I'll never find the words to say I'm sorry
E
But I'm scared to be alone
