

# All Right Now

## Verse 1

**A**          **D**  **A**  
There she stood in the street,  
**D**          **D**          **A**  
Smiling from her head to her feet,  
          **A**          **D**  **A**  
I said Hey, what is this?  
                  **D**          **D**          **A**  
Now baby maybe, maybe she's in need of a kiss.

**A**          **D**  **A**  
I said Hey, what's your name baby?  
**D.**          **D**          **A**  
Maybe we can see things the same,  
                  **A**  **D**  **A**  
Now don't you wait or hesitate,  
          **D**                  **D**          **A**  
Let's move before they raise the parking rate, oh!

## Chorus

**A**  **D**      **G**                  **G**  **D**      **A**  
All right now, Baby it's all right now,  
**A**  **D**      **G**                  **G**  **D**      **A**  
all right now, baby it's all right now.

**A**  **D**          **G**                  **G**  **D**      **A**  
Let me tell you now...

## Verse 2

**A**          **D**  **A**  
I took her home to my place

**D.**                  **D**                  **A**  
Watching ev'ry move on her face,  
          **A**                  **D**  **A**  
She said Look, what's your game, baby?  
**D.**                  **D**                  **A**  
are you tryin' to put me in shame?

**A**                  **D**  **A**  
I said slow, don't go so fast,  
**D.**                  **D**                  **A**  
don't you think that love can last?  
          **A**          **D**  **A**  
She said Love, Lord above,  
**D**                  **D**                  **A**  
now you're tryin' to trick me in love.

All right now, Baby it's all right now,  
**A**  **D**      **G**                  **G**  **D**      **A**  
all right now, baby it's all right now.

Let me tell you now...
